DOG SHAMPOO

100%
CHEMICAL FREE

REGULAR or CITRUS

Mild surfactants (the soapy part) and sulphate-free. With gentle natural ingredients.

The Regular Shampoo contains 6 essential oils, and like the Citrus, is a long-lasting anti-parasitic. When used regularly, will replace the need for topical squeeze-on poisons.

They will improve skin conditions, and leave glossy coat.

Biodegradable.

5 LITRE SIZE!

OMEGA 3

Bradfield's
NATURAL PET CARE

FLAX SEED OIL

Omega 3 contains fatty acids vital for normal body function. Clinical studies have shown vast improvements in skin and coat conditions from regular use.

As a nutritional supplement it helps manage joint tenderness associated with arthritis and improves mobility.

Further successes have been shown in treating osteoporosis, depression, kidney disease, and chronic inflammatory disorders.

ANIMAL REPELLANT | ODOUR NEUTRALISER
SANITISER / DISINFECTANT | CLEANER

Made from a range of natural Australian plant oils.

For use inside or outside the home. An exceptional product that is new and a first on the market.

An exceptional repellent, to stop pets toileting, chewing, scratching, clawing; or cats spraying.

Odour Neutraliser will absorb all odour molecules on contact. As a sanitiser, will kill most germs, including Ecoli. A cleaner for hard services. Can also be used to sanitise hands.

Safe and effective, without the poisons.

Will also kill eggs and larvae. Safe around pets and people. Long-lasting. Effective on ants and spiders.

Also ideal for use in cages, kennels, etc.
